Sub: Implementation of 'Joyful Learning Activities' to enhance students' competencies – reg

Madam/Sir,

A hand book on **Joyful Learning Activities** has been prepared by KVS with the objective to enhance the competencies of students in the domains of Reading, Mathematical & Scientific Literacy. The soft copy of the hand book is being shared with you.

You are requested to forward the soft copy to all the Kendriya Vidyalayas under your jurisdiction and direct the Principals to make sufficient copies available in their Vidyalayas. You are also requested to issue directions to the Principals to dedicate a period every week, preferably every Monday, for the conduct of such activities in the upper primary and secondary classes. It should be ensured that the element of joy is retained in the conduct of these activities and achievers are rewarded in order that students remain motivated & interested.

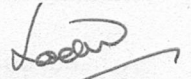

The proposed schedule for the conduct of joyful learning activities is given as under:

Month	Activity
August 2019	Fun with Words Level 1 to 3
September 2019	Puzzles & Riddles Level 1 to 3
October 2019	Gift of Gab Level 1 to 3
November 2019	Let's Find and Analyse Level 1 to 3
December 2019	Interpret the Data Level 1 to 3
January 2020	Reading Skills Level 1 to 3
February 2020	Activities to test competencies

The Principals may be permitted to make slight modifications to the schedule as per local requirements. However, it is to be ensured that the activities are carried out as suggested in the document in a graded manner i.e., beginning from level 1 in week 1 of the month and culminating in level 3 in week 3. The activities in the document are mere exemplars. Teachers should be encouraged to develop more such activities for classes VI to X and administer them in the schools.

A record of the activities conducted and the outcomes should be maintained at the Vidyalaya level. Photographs of students involved in the activities should be periodically uploaded on the Vidyalaya website.

Yours sincerely

(U.N. Khaware)
